LEEDO'S CERTIFICATIONS

ANSI A161.1
Leedo cabinetry products meet or exceed ANSI A161.1 performance & construction standards for kitchen & vanity cabinets as certified by the Kitchen Cabinet Manufacturers Association (KCMA).

USA Manufacturer
For over 50 years, Leedo has been a recognized manufacturer of quality cabinetry for housing markets across the country. We are privately owned and operate two facilities west of Houston, TX.

TSCA Title VI
TSCA Title VI is a U.S. regulation that sets formaldehyde emissions standards for composite wood products, such as hardwood plywood, medium-density fiberboard (MDF), and particleboard. Title VI requires composite wood products to be certified by third-party testing laboratories. As a commitment to meet or exceed air emissions rules and regulations, Leedo has partnered with reputable providers of composite wood products used in the construction of our cabinets. End panels, bottoms, backs, shelves, toe-kicks and corner blocks will all meet the emission limits per EPA TSCA Title VI, CARB Phase 2 and HUD.
